Cane-line®

CREATE YOUR OWN UNIQUE MOMENTS ...

LIFE MADE COMFORTABLE

Value for your guests or clients is that you create space for their unique moments. Value for you is maximising the opportunity for just this. Life made comfortable is our mission and what you get – real seating comfort for your guests, and comfort for you through minimal maintenance. Furniture from Cane-line gives life quality and extends time.

TAILOR MADE SOLUTIONS

Every hotel, cruise or company has its own architectural expression and special needs. Respect for the individual preferences is built into our simple and functional design. We act as a partner for you and provide tailor made solutions which suit the physical environment and optimally meet the needs of the guests. Mix and match among our diverse collections provide flexible arrangement options.

25 YEARS OF EXPERIENCE

Exclusive and large hotel chains, leading cruise lines and private and public companies have chosen Cane-line already. In more than 90 countries our furniture creates comfort for guests and clients whether they are looking for peace, social life or attending a business meeting. Our 25 years of experience and eye for unique needs is your assurance to get it right, no matter which space you want to create and wherever in the world it is.

MAINTENANCE-FREE

With spaces under the open sky, maintenance-free furniture is an asset value in itself. The cushions in Cane-line's Tex®-collection do not shut the water out but lead it through so the furniture is ready for use shortly after a downpour. From design to materials selection all furniture is produced to live long. It maximizes your business not spending time on maintenance. The furniture works in all weather conditions all year.

STRONG AND SILENT DESIGN

Danish design is characterized by the simple and understated expression which complements the architecture rather than takes it over. The cool Nordic climate is our development environment and inspiration for the furniture's strong constructions. Our outdoor collection is designed to withstand frost and rain as well as strong sunlight. Shape follows function in our silent and classic design, and all furniture is easy both to move and store.

SOLID BUSINESS PARTNER

The classic design has the advantage that our collections live long, and the furniture will not be out of production. We stock a large range so you can easily replace or complement spaces with new or more furniture. With our financial AAA+ rating you are guaranteed continuity and stability in the cooperation.

CSR-LONG LIFE EMBEDDED

Consideration for environment and people is thought into every part of our business from management to production and concrete furniture. Innovative technology combined with high quality and classic expression gives the furniture a long life cycle. We and our suppliers have a global commitment to follow guidelines for working conditions and environmental considerations. CSR is our sustained focus.

GLOBAL SUSTAINABILITY

Our global acting has given us knowledge and respect for all cultures. This insight we use when we assist with decorating solutions. It has also given us a sense of responsibility that goes far. International certifications from Bureau Veritas are your guarantee that Cane-line is a sustainable business. We have achieved the certification SA8000 for our consideration for people and ISO14001 for environmental actions.

INTERNATIONAL CERTIFICATIONS

Cane-line is certified by Bureau Veritas Certification SA8000/2008 and ISO14001/2004

HOTEL KAMEHA GRAND - BONN - GERMANY

A 5-star hotel at the banks of the Rhine river with 190 standard rooms and 63 suites. Exclusive interior design by Marcel Wanders has created a truly unique hotel.

Cane-line supplied furniture for both interior and exterior areas of the hotel. In the Kameha Dome our Savannah lounge groups are to be found in a highly contemporary setting. With its elegant curves and design it underlines the unique architecture of the building and at the same time offers the customers a sublime comfort.

In the large outdoor area in front of the river Rhine one will find our woven Newport chair in the outdoor dining area. A strong choice if comfort and stackability is highly appreciated. An outdoor lounge zone is also present and here the iconic Kingston Sunchair was chosen to provide optimal comfort and signal relaxation.

HOTEL SOFITEL - AGADIR - MAROCCO

This unique and world recognized luxury hotel designed by the French architect Didier Rey is embarked on an extraordinary wellness experience in Morocco's most beloved seaside city – Agadir. A glorious thallassotherapy center and spa flooded with light and offering unparalleled care to unwind and enjoy the unique moments of life.

Cane-line has supplied a wide range of the collection ranging from the comfortable Hampsted dining chairs, Presley sunbeds, Kingston and Belmont lounge furniture. The Cane-line collection was chosen as the preferred outdoor furniture because of its ability to adapt and support the architecture - celebrating darkness and light in a masterful blend of modernity and tradition.

Further the hotel celebrates nature and the virtues of the ocean in combination with local rituals of traditional Hamman and the richness of ocean water – in other words luxury, calmness and comfortable living.

ST REGIS

DOHA

WWW.STREGISDOHA.COM

ST. REGIS - DOHA - QATAR

At St. Regis Cane-line has supplied a wide range of our assortment. A large number of Axminister pavilions with Belmont lounge groups to provide shaded areas near the large pool.

The Savannah Daybeds and Escape sunbeds to provide an exclusive comfort while enjoying time around the pool. On the beach Escape sunbeds are also to be found for those guests wishing to spend the day at the beach.

When being in ones private Cabana suite, Flow lounge groups and Escape sunbeds are to be found on the terrace to underline the high level of comfort and style. Indoors is a dining set with Pacific chairs and Share dining table placed elegantly together, connecting the indoor interior with the outdoor exterior.

When the guests sit outside in the Sarab lounge, Cane-line's comfortable Hampsted chair and small Belmont side tables are placed to support an unforgettable evening with cocktails and snacks.

DOLOMITENGOLF SUITES - LAVANT - AUSTRIA

This 4-star hotel is located in the Austrian Dolomites – a stunning scenery with a Golf course starting outside the hotel premises. In June 2012 a new expansion of 48 new rooms/ suites and a new restaurant concept was opened to the public.

For these new surroundings the hotel choose a wide selection of Cane-line furniture. At the balconies you can find the Breeze lounge chair and side table. In the outside dining area you can relax in the Breeze dining chair and the matched Share aluminium table. This solution offers highly comfortable chairs with a contemporary style and easy-to-clean tables. For the pool area the Rest sunbeds in white were chosen mainly due to their contemporary look and practical Cane-line Tex® cushions, which allow quick drying when exposed to wet conditions.

The outdoor lounge area has been furnished with our Shape modular lounge sofa groups in Cane-line Tex®. This solution is very flexible and can provide many seats for guests and thereby maximizing the investment in the area.

CLARION HOTEL & CONGRESS TRONDHEIM - TRONDHEIM - NORWAY

Clarion Hotel in Trondheim is one of Scandinavia's largest convention hotels, close to the harbour in central Trondheim. The spectacular hotel has 400 rooms and 3000 m² of conference area.

Cane-line furniture is to be found in a large outdoor area around the hotel, with both dining and lounge zones. For their dining area the light and elegant Newport and Share tables were chosen. For the lounge area the new stylish woven Diamond lounge series, the iconic Kingston Sunchair in white and the classic lounge set Chester are included.

Common for all furniture is the durable all-weather Cane-line Tex® cushions with Quick-Dry-Foam®, that allow the furniture to dry fast after a rain shower, thus maximizing the investment in this large outdoor area. Further, the Cane-line Tex® cushions are easy to clean and have a durable surface that is very rub-resistant.

THE GEORGE HOTEL - HAMBURG - GERMANY

"We choose Cane-line furniture because we were thrilled with the airy look of the design and its functionality. At the same time, their style and colour appealed to us as they match so perfectly with the dark and elegant colour scheme used in the rest of The George Hotel." says the hotel management.

The goal was to furnish the outside areas of the new and elegant The George Hotel in the middle of Hamburg. The different zones consist of a fabulous 250 m² rooftop terrace overlooking the Alster lake, a secluded courtyard and the outside terrace of the excellent Italian restaurant Da Caio.

The rooftop was supplied with the modular lounge group Belmont and the three-legged café chair Trinity, both in the versatile mocca colour. The ground floor areas were held in elegant black with a combination of Breeze lounge chairs, Kingston Sunchairs and Chester lounge chairs.

ODENSE ZOO - ODENSE - DENMARK

The Odense Zoo is one of Denmark's most popular tourist attractions. A modern Zoo that has renewed its facilities continuously the last years – latest with a new area that also includes conference facilities and café.

For these facilities Cane-line has delivered Twist indoor dining chair – a stylish and elegant chair that due to the open weaving and comfortable rattan peel, provides extremely good comfort when people are seated for more hours.

For the Safari coffee bar, the cool Curve dining chair in rattan fits the Safari-theme brilliantly together with the practical – easy-to-clean Share bar tables with glass tops.

GRECOTEL - CRETA PALACE - GREECE

Crete is famous for its Minoan Palaces. Inspired by their labyrinth size and simple pleasures, Creta Palace occupies an enchanting sandy beach where the Mediterranean sea turtles 'Caretta-caretta' have nested since antiquity.

In the heart of the Cretan Riviera, just minutes from the old-world charm of Rethymno's Venetian harbour, the Creta Palace is in a class of its own. From the superbly renovated marbled foyer, restaurants and court yards to the luxurious brand new guest-rooms all equipped with Cane-line furniture, it represents - with every detail - style, quality and prestige. Surrounded by an Eden paradise, the main hotel building and three bungalow villages, are thoroughly tied together by a distinguish choice of outdoor furniture in matching natural and mocca brown colours in order to create a silent, understated and comfortable feel to the complete resort.

Zeus, the god of hospitality was born here and the resort and it's newly decorated guestrooms, bungalows suites & villas, where Cane-line has been the preferred choice, live up to this tradition to the largest possible degree – just relax enjoy and feel at home.

An amazing choice of accommodation from family village life to sheer beachfront luxury. The resort's timeless elegance is reflected in the light-filled, brand new ultra-luxurious rooms and suites in the main hotel with panoramic views of the sea. Lavish family accommodation, bungalow suites and elegant villas with private pools dot the luxuriant tropical gardens that surround the hotel. You can even if requested enjoy a wonderful private evening dinner at the beach in our comfortable Cane-line furniture.
